QUICK APPRAISAL DISCLAIMER: This report has been compiled from various data sources received from a number of agencies and with information supplied by applicants for mining tenements. No responsibility is accepted for any error or omission. The Commonwealth of Australia (c) 2002, through Geoscience Australia and Department of Defence maintains copyright over those parts of the topographic data it has provided for display in TENGRAPH. Users wishing to use the data in its unaltered form should contact Geoscience Australia at www.ga.gov.au. Confirmation of the extent and composition of any Native Title Claims should be sought from the Native Title Spatial Services Landgate. Tengraph does not identify any land that has been alienated from the Crown before 1 January 1899 and a search of title records should be carried out through Landgate to identify this category of land. Land alienated from the Crown prior to 1 January 1899 may be open for mining only in respect to gold, silver and precious metals.

APPRAISAL ID: **E 08/3421**
